Contractor acknowledges that they are responsible for hooking up to a two inch outlet and responsible for hoses.

Equipment Deposit shall be forfeited upon theft, damage, or non-return of provided equipment or damage to hydrant.

Upon payment of all fees, arrangement of installation of equipment will be completed by the end of the following business day.

I acknowledge that I will be charged \$4.26 per 1,000 gallons (before June 1, 2017) or \$4.35 per 1,000 gallons (after June 1, 2017) of water used based on the meter readings conducted by the City of North Canton Water Department. I also acknowledge that I will be billed monthly and I agree to pay all fees accordingly.
